Providers:

The Maryland Medicaid Program has recently discovered that most direct bill procedure codes billed with the "NU" modifier were reimbursed incorrectly. These claims may have paid more than the allowed fee on the Approved List of Items. In the next couple of months, the Program will be reviewing these claims, and any erroneously paid claims will be automatically adjusted, and repaid at the correct amount.

Should you have any questions or concerns, I can be reached at can be at 410-767-1739, or via email at [RatchfordD@dhmh.state.md.us](mailto:RatchfordD@dhmh.state.md.us). Thank you for servicing our Medicaid community.

Sincerely

Deneen Ratchford  
Acting Supervisor
