## ELIGIBILITY VERIFICATION SYSTEM (EVS)

It is the provider's responsibility to check EVS prior to rendering services to ensure recipient eligibility for a specific date of service.

Before providing services, you should request the recipient's Medical Care Program identification card. If the recipient does not have the card, you should request a Social Security number, which may be used to verify eligibility.

EVS is a telephone-inquiry system that enables health care providers to quickly and efficiently verify a Medicaid recipient's current eligibility status. It will tell you if the recipient is enrolled with a Managed Care Organization (MCO) or if they have third party insurance.

EVS also allows a provider to verify past dates of eligibility for services rendered up to one year ago. Also, if the Medical Assistance identification number is not available, you may search current eligibility and optionally past eligibility up to one year by using a recipient's Social Security Number and name code.

EVS is an invaluable tool to Medical Assistance providers for ensuring accurate and timely eligibility information for claim submissions. If you need additional information, please call the Provider Relations Unit at 410-767-5503 or 1-800-445-1159.

### HOW TO USE EVS:

**STEP 1:** Call the EVS access telephone number by dialing the number for your area. EVS Telephone Number:

1-866-710-1447

EVS answers with the following prompt:

"Medicaid Eligibility Verification System. Attention: For past eligibility status checks, you must enter month, date and 4-position year. To end, press the pound (#) key. Please enter provider number."

**STEP 2:** Enter your 9-digit provider number and press pound (#).

**EXAMPLE:** 0 1 2 3 4 5 6 7 8 #

**STEP 3:** For Current Eligibility: Enter the 11-digit recipient number and the 2-digit name code (the first two letters of the last name converted into numeric touchtone numbers) and press pound (#).

EXAMPLE: For recipient Mary Stern, you would enter:

<u>1 1 2 2 3 3 4 4 5 5 6</u>	<u>78#</u>
Recipient Number	Last Name Code*

*\*Last Name Code: where 7 is for the S in Stern and 8 is for the T in Stern*

**NOTE:** Since the characters Q and Z are not available on all touchtone phones, enter the digit 7 for the letter Q and digit 9 for the letter Z.

**For Past Eligibility:** Enter a date of up to one-year prior using format MMDDYYYY.

**EXAMPLE:** For recipient Mary Stern, where the date of service was January 1, 2005, you would enter:

<u>1 1 2 2 3 3 4 4 5 5 6</u>	<u>78</u>	<u>0 1 0 1 2 0 0 5 #</u>
Recipient Number	Last Name Code	Service Date

**NOTE:** Use a zero for space if recipient has only one letter in the last name. Example: Malcolm X; Name Code X0

**If the Recipient Number is Not Available:** Press zero, pound, pound (0##) at the recipient number prompt and the system prompts you for a Social Security search. EVS will then prompt you with the following:

**"Enter Social Security Number and Name Code"**

Enter the recipient's 9-digit Social Security Number and 2-digit name code:

**EXAMPLE:**

<u>1 1 1 2 2 3 3 3 3</u>	<u>78#</u>
Social Security Number	Last Name Code

**NOTE:** Social Security Numbers are not on file for all recipients. Eligibility cannot be verified until the Medical Assistance number is obtained. If you have entered a valid Social Security Number and the recipient is currently eligible for Medical Assistance, EVS will provide you with a valid recipient number, which you should record with the current eligibility status.

**STEP 4:** Enter another recipient number or immediately press the pound button twice (# #) to end the call.

## WebEVS

For providers enrolled in eMedicaid, WebEVS, a new web-based eligibility application is now available at <http://www.emdhealthchoice.org> Providers must be enrolled in eMedicaid in order to access Web-EVS. To enroll, go to the URL above and select 'Services for Medical Care Providers' and follow the login instructions. If you need information, please visit the website or for provider application support call 410-767-5340.

# **COMPLETION OF UB-04 FOR NURSING FACILITY SERVICES**

## **INTRODUCTION**

The uniform bill for institutional providers is known as the UB04 and is the replacement for the UB92 form. Starting July 30, 2007 all institutional paper claims must use the UB04; the UB92 will no longer be acceptable after this date.

The instructions are organized by the corresponding boxes or “Form Locators” on the paper UB-04 and detail only those data elements required for Medical Assistance (MA) paper claim billing. For electronic billing, please refer to the Maryland Medicaid 837-I Electronic Companion Guide, which can be found on our website at:

<http://www.dhmh.state.md.us/hipaa/transandcodesets.html>

The UB04 is a uniform institutional bill suitable for use in billing multiple third party liability (TPL) payers. When submitting the above claims, complete all items required by each payer who is to receive a copy of the form.

The Department will reimburse providers for nursing facility services for all medically necessary days and Administrative Days which have been approved by the Department’s utilization control agent.

## **BILLING TIME LIMITATIONS**

Invoices must be received within nine (9) months of the month of service on the invoice. If a claim is received within the 9-month limit but rejected, resubmission will be accepted within 60 days of the date of rejection or within 9 months of the month of service, whichever is longer. If a claim is rejected because of late receipt, the patient may not be billed for that claim. If a claim is submitted and neither a payment nor a rejection is received within 90 days, the claim should be resubmitted.

## **OTHER THIRD-PARTY RESOURCES**

All other third-party resources should be billed first and payment either received or denied before the Medical Assistance Program may be billed for any portion not covered. However, if necessary to meet the 9-month deadline for receipt of the claim(s), the Medical Assistance Program may be billed first and then reimbursed if the third-party payer makes payment later.

## **PAPER INVOICES**

Invoices may be typed or printed. If printed, the entries must be legible. Do not use pencil or a red pen to complete the invoice. Otherwise, payment may be delayed or the claim rejected.

Completed invoices are to be mailed to the following address:

Maryland Medical Assistance Program  
Division of Claims Processing  
P.O. Box 1935  
Baltimore, MD 21203

## **ADJUSTMENTS**

Adjustments should be completed when a specific bill has been issued for a specific provider, patient, payer, insured and “statement covers period” date(s); the bill has been **paid**; and a supplemental payment is needed. To submit an adjustment, a provider should complete a DHMH-4518A, Adjustment Form and mail that form to the address below:

Maryland Medical Assistance Program  
Adjustment Section  
P.O. Box 13045  
Baltimore, MD 21203

Line 1 Enter the provider name filed with the Medical Assistance Program.

Line 2 Enter the street address to which the invoice should be returned if it is rejected due to provider error.

Line 3 Enter the City, State & full nine-digit ZIP Code

Line 4 Telephone, Fax, County Code (Optional)

**Note:** Checks and remittance advices are sent to the provider’s address as it appears in the Program’s provider master file.

**FL 02 Pay-to Name and Address**

Leave Blank – Internal Use Only

**FL 03a Patient Control Number**

**Required.** Enter the patient’s unique alphanumeric control number assigned to the patient by the facility. A maximum of 20 positions will be returned on the remittance advice to the provider.

**FL 03b Medical/Health Record Number**

Optional. Enter the medical/health record number assigned to the patient by the facility when the provider needs to identify for future inquiries, the actual medical record of the patient. Up to 13 positions may be entered.

**FL 04 Type of Bill**

**Required.** Enter the 3-digit code (**do not report leading zero**) indicating the specific type of bill. Entering the leading zero will cause your claim to deny. The third digit indicates the bill sequence for this particular episode of care and is referred to as a “frequency” code. All three digits are required to process a claim.

The “x” in the Type of Bill column of the matrix represents a placeholder for the frequency code. A list of the frequency codes follows the matrix. **Only those frequency codes highlighted in grey can be used for Maryland Medicaid Nursing Facility claims.**

<b>Type of Bill</b> Do NOT report leading zero	<b>Description</b>	<b>Inpatient/Outpatient General Designation</b>
<b>021x</b>	Skilled Nursing – Inpatient (Including Medicare Part A)	IP

<b>Type of Bill Frequency Codes:</b>		
1	Admit Through Discharge Claims	The provider uses this code for a bill encompassing an entire inpatient confinement for which it expects payment from the payer.
2	Interim Billing - First Claim	This code is to be used for the first (admit) of an expected series of bills for the same confinement or course of treatment for which the provider expects payment from the payer
3	Interim Billing- Continuing Claim	This code is to be used when a bill for the same confinement or course of treatment has previously been submitted and it is expected that further bills for the same confinement or course of treatment will be submitted for which payment is expected from the payer
4	Interim Billing - Last Claim	This code is to be used for the last (discharge) of a series of bills for the same confinement or course of treatment for which payment is expected from the payer.
7	Replacement of Prior Claim <b>(Future)</b>	This code is to be used when a specific bill has been issued for a specific provider, patient, payer, insured and “statement covers period” and it needs to be restated in its entirety, except for the same identity information. In using this code, the payer is to operate on the principal that the original bill is null and void, and that the information present on this bill represents a complete replacement of the previously issued bill. This code is not intended to be used in lieu of a Late Charge(s) Only claim.
8	Void/Cancel of Prior Claim <b>(Future)</b>	This code reflects the elimination in its entirety of a previously submitted bill for a specific provider, patient, insured and “statement covers period” dates. The provider may wish to follow a Void Bill with a bill containing the correct information when a Payer is unable to process a Replacement to a Prior Claim. The appropriate Frequency Code must be used when submitting the new bill.

Note: Frequency codes “7” and “8” will be available in the future. Do not use them until notified of their availability. Use of these codes currently will result in rejection of your invoice.

**FL 05**

**Federal Tax Number**

Remember that Medical Assistance does not pay for services for the date of death/discharge. The date of death/discharge should never be shown as the through date in this field.

**NOTE A:** If the nursing home is reporting revenue code 0185 - Hospital Leave on the date of death, then the date of death may be reported in the “through” field and Medical Assistance will pay for services for this day. This is the only occurrence in which Medical Assistance will pay for the date of death/discharge.

**NOTE B:** Medicare Part A and Part B claims should include the “From” and “Through” dates as indicated on the Medicare payment listing or EOMB.

Administrative Day span data will be given to the Program’s Utilization Control Agent

(UCA) along with the other data they receive from the monthly claim as part of the patient assessment process. The UCA will check to see if documentation for Administrative Days exists for the days entered on the claim. If the documentation for Administrative Days does not exist or is not acceptable, the days will be adjusted as appropriate through the patient assessment process.

**FL 39-41 a-d**    **Value Codes and Amounts**

**Required** when there is a Value Code that applies to this claim. A code structure to relate amounts or values to data elements necessary to process this claim as qualified by the payer organization.

Enter Value Codes in alphanumeric sequence. FLs 39a - 41a must be completed before the ‘b’ fields, etc. Whole numbers or non-dollar amounts are right-justified to the left of the dollars/cents delimiter. Do not zero fill the positions to the left of the delimiter. Negative numbers are not allowed except in FL 41.

If all the Value Code fields are filled, use FL 81 Code-Code field with the appropriate qualifier code (A4) to indicate that a Value Code is being reported (see FL 81 for more information).

**Note:** Value Codes should be entered in alphanumeric sequence. However, report any Value Codes required to process your Maryland Medicaid claim first; then continue to report other Value Codes as needed in alphanumeric sequence. Maryland Medicaid will only capture 12 Value Codes, including those reported in FL 81.

<b>Code Structure – Value Codes and Amounts:</b>

**Revenue Codes**

**Required. Line 1-23.** Enter the appropriate four-digit revenue code in FL 42 from the chart below to identify specific level of care and ancillary charges.
